

We Love, We Care  
We Serve, They Deserve

# LOVELY HOME

CHILD CARE & KINDERGARTEN

Jawalakhel | Bhanimandal | Sanogaun  
Head Office

Namaste !

Lovely Home was established in 2002 located in Jawalakhel, Lalitpur, (Behind Alka Hospital).

Our main motto of establishing Lovely Home has always been to facilitate daycare needs; especially of working parents. For your kind reference; we now provide our services to children from ages 3 months to 6 yrs old. We have further divided them into the following groups:

AGE	GROUP	MEALS PROVIDED
From 3 months to 1 year	- Child Care	6 times a day
From 1 year to 2 years	- Play Group	6 times a day
From 2 years to 3 years	- Pre-nursery	5 times a day
From 3 years to 4 years	- Nursery	5 times a day
From 4 years to 5 years	- Jr. K.G.	3 times a day
From 5 years to 6 years	- Sr. K.G.	3 times a day

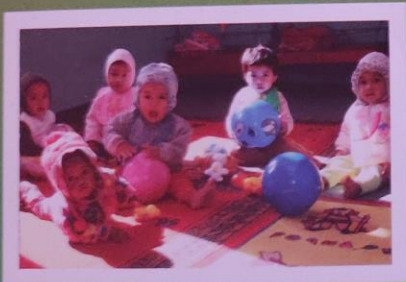

During the kindergarten period, we devote equal focus and attention to our child's education and health. So we are strictly providing them with nutritious and hygienic meals, as mentioned above every day.

## OUR OBJECTIVES:

- ❖ To be your child's second home, where we as guardians believe your child to be our responsibility.
- ❖ To fulfill the dreams that you've been looking for the bright future of your children.
- ❖ To provide special handling and care to your children, considering that today's children are tomorrow's nation builders.
- ❖ To provide an environment that instills values such as love and respect; which encourages good habits and self initiative, so that they are provided with a firm basis of skill, knowledge and self confidence in cultivating their tender personalities, helping them to prepare to face challenges later in their lives with a positive, proactive and healthy attitude.
- ❖ To provide every child with age appropriate learning and the right environment, where they learn and develop naturally through play and action, without the load of excessive homework.
- ❖ To guide their progress with love and affection, rather than with harsh discipline or corporal punishments.
- ❖ To create interest and eagerness in children by encouraging and rewarding their efforts.

## Office Hours & Transportation:

- ❖ We are always at your service from 8:30 A.M. till 5:30 P.M. (Sunday to Friday).
- ❖ On special request of the parents and further consideration of the school authorities, we provide a school van for the pick up and drop off the children to specific destinations en route to the school premises.
